The Approach

What was the scope of their involvement?

They take care of our database and handle some backend work, in addition to doing a bit of design as well, but not graphic design – design for our database.

What is the team composition?

We work with Corey (Sales & Service) and Drew (Developer). Drew is our main point of contact.

What is the status of this engagement?

We've been working together August 2021.

The Outcome

What evidence can you share that demonstrates the impact of the engagement?

They've done a great job. We continue to work with WebCitz because they're responsive. We trust to them to do a great job.

How did WebCitz, LLC perform from a project management standpoint?

They're awesome in this area. We communicate directly by email and have phone calls as needed.

What did you find most impressive about them?

They do what we want them to do in a timely fashion and respond quickly.

Are there any areas they could improve?

No, I think they're doing a good job.

Do you have any advice for potential customers?

Be clear about what you want, explain it well, and make that everyone is on the same page. This is the same no matter the vendor.
